## **100 Years of Prairie Life Celebrating our Past- Looking towards our Future**

We are 6 weeks away for the 100 Year Celebration and our plans are pretty much in place for our celebration. There is going to be lots of chance to take part in the "old time music" that entire week-end so those who play an instrument plan to be involved. Blaine Morrison, a past resident from here, will be organizing that.

We want to encourage as many local businesses and residents to give some thought to doing a float for the parade.

The Farmers Market that day will be very busy so anyone who wants to have a table should do so.

We need volunteers to help set up and take down the tents and fences. Our town needs to have some tidying with weeds and maintenance around the streets.

If you have a spare bedroom to offer for some of our out of town guests, please leave your name with the Post Office.

It is important that we have folks register who will be taking in the week-end. We have tried to accommodate the various needs and ask that you fill out a registration form and send it in with your fees.

## Registration Fees

### All – inclusive registration:

- \$75 – Adults and teens
- \$30 – Children (6 years – 12 years)
- Children under 5 years – Free

### Friday Cabaret Only:

- \$25 – Adults and Teens
- \$10 – Children (6 years – 12 years)
- \$75 – Family Rate

### Saturday Only (includes Breakfast and Supper):

- \$40 – Adults and Teens
- \$10 – Children (6 years – 12 years)

At this point in time the biggest request is for "volunteers" in all areas. There will be sheets in the post office to put your name and telephone number and area of choice to work. Volunteers are the main ingredient of any planned event-- so we say "THANK YOU" in advance for making the 100 Year Celebration an unforgettable experience for all who attend.

100 Year Memorabilia is available for sale at the Farmer's Market.

## **Community Centre Gets A New Look!**

At the Annual Meeting of the Pangman Recreation Board it was decided that the inside of the Community Centre needed a paint job. Jackie Wolstenholme volunteered to get the paint and recruit some volunteers.

On Thursday, June 23rd the prep work began and over the next few days the painting was completed.

The Pangman Rec Board would like to thank Jackie Wolstenholme and her crew, Stella Strobl, Jim & Dorothy Madigan, and Arlene Lewgood for the extra time and extra efforts in painting, cleaning and fixing the Community Centre. Your enthusiasm and knowledge on this project is so much appreciated by the community and the Pangman Rec Board. ## **Farmers Market!**

On June 25th we held our first Farmers Market for 2011. As well, we had a Community Garage Sale Day with about 5 garages sales around town.

It was quite nice for most of the morning, but close to noon it started to rain, again.

There were quite a few vendors at the market selling a variety of items, including: garage sale items, homemade pies, pizza, Norwax, Avon, books, crafts, bedding plants and “Pangman Puddles”, a delicious deep fried bread dough in the shape of “puddles”.

Quite a few people were out for the Market. The Pangman & District Economic Development Board sold 50/50 tickets and provided coffee.

The Farmers Market will be held every Saturday from 9 to noon until Thanksgiving Weekend (October 8, 2011) and is sponsored by the Pangman & District Economic Development Board.

## **The Warpotay Team Stop Over in Pangman!**

On Tuesday June 9th the [Warpotay Team](#) stopped over in Pangman. They are on a Cross Canada cycling adventure. A member of the team, from Regina, met up with the rest of the team here in Pangman.

They camped overnight and stayed for coffee at the Community Centre the next morning.

The Warpotay Team consists of Evan Warner, Leah Taylor, Shane Warner, Alan Warner and Ginny Point. They started their cycling adventure across Canada in Vancouver on May 13th and hope to arrive in Halifax, NS by mid August.

You can read more about their visit to Pangman and their cycling adventure across Canada on their blog – [warpotayadventures.blogspot.com](http://warpotayadventures.blogspot.com).

Below is what they wrote about their visit in Pangman.

“P- P is for pizza, delicious home made pizza made by Eileen's good friend and neighbour, upon our arrival in Pangman late in the afternoon.

A- A is for apple juice, along with the grape drink, cream soda, water, and cookies Eileen also brought, and the coffee, tea, and muffins which Eileen and Debra served to us at the community centre the next morning as part of the community cafe. It all was yummy and so thoughtful.

N - N is for the Night sky, the beautiful starkly, wide, open night sky at the lovely, quiet campsite Elaine suggested next to the school.

G -G Is for the Green Grass, the gorgeous green rolling hills and wide open Prairie space in the countryside around Pangman, and for the lush green street scapes in Pangman neighborhoods.

M- M is for the Memories, the wonderful memories of Pangman and all of Saskatchewan thanks to the generosity of Eileen and Debra and the rest of the Pangman community.

A - A is for Attitude, the wonderful positive, community spirit in Pangman, where strangers are welcomed and community residents take care of. each-other with heart.

N- N is for Next Time, hopefully there will be a next time here. Until then, we hope to have visitors from Pangman visit us in Nova Scotia!”

My grandfather, Frederick Blake Porteous (born 1882 in Stratford, Ontario, died in Burnaby, British Columbia in 1960), was one of the original petitioners for the formation of the town of Pangman.

We had the pleasure of visiting Pangman in September, 2001. It was interesting to see that the small building that once housed the local branch of the Weyburn Security Bank was still standing.

Best wishes on the town's 100th anniversary.
