Message from the Principal

The Christmas season is fast approaching and with that, the school is busy preparing for many festive events. Students and staff are working overtime preparing to entertain with their songs, plays and activities. I encourage all family, friends, and community members to join us in the events so that you too can see the dedication and talents of our youth. Please join us on December 20 for our Christmas concert and on the 21st for our Community Christmas – Open House.

To all, I wish a safe and Merry Christmas season and Happy New Year.

I ask all Pangman School stakeholders to be active participants in the education process. We encourage all parents and community members to visit and contact the school if you should have any questions, concerns or suggestions.

Dear _____
Why does my Mom say that it is just as important to give as to receive at Christmas ?
Yours truly, *Sparky*

Dear *Sparky*,
Christmas for me is about feeling good. When I buy or do something nice for someone without thought of getting something back, I feel good. Of course, getting a gift is always great, but it feels good to give. You should try it *Sparky* and you will see what I mean.

Thank you to all the community volunteers and staff who have been assisting in serving the nutritious breakfast to students from 8:30 to 9:00 every school morning. An assessment in January will determine if this pilot project will continue.
