Arbor Day Observed at Pangman School

The Grades 3 – 5 class recited an Arbor Day poem on Friday, May 24 as Pangman students and staff took part in a ceremony dedicating a Dakota Pinnacle Birch tree for planting in front of the school to commemorate Arbor Day. Observed internationally, Arbor Day encourages the appreciation, planting and care of trees. Principal Ryan indicated this was one small but significant step toward protecting our earth and encouraged the students to continue to find ways to nurture Mother Earth.

Message from the Principal

The end of the school year is approaching quickly and Pangman School is preparing for the final month. Parents and caregivers are asked to encourage their children to stay on task, finish assignments and academic tasks to ensure that the year ends with a high degree of success. High school exams begin on June 20.

The end of the academic year brings with it many opportunities to celebrate the friendships and success our students have enjoyed over the past year. There is a full slate of extracurricular and curricular events planned for June. Please mark the Academic Awards on your calendar. I invite all in the community to celebrate our children's achievements on June 19 at 2:00 PM.

I ask all Pangman School stakeholders to be active participants in the education process. We encourage all parents and community members to visit and contact the school with any questions, concerns, or suggestions.

-Laury Ryan

Congratulations

Students of the Month

K-5 Field Trip

Pangman K-5 students put their creative talents to use during their field trip to the Signal Hill Arts Centre in Weyburn on May 15. Starting from raw clay, students enjoyed the hands-on experience at the studio while instructor Terry Creurer demonstrated pottery making techniques. "I liked that I could add details to make it my own," said Janayah Tichkowsky.

Fond farewell for Mr. Penny

On May 23, Pangman School RespectED team joined all the other students and staff to extend best wishes to Mr. Mark Penny who will be starting a new job in Regina. Community members were invited to attend the pancake "Breakfast with Mark" in honour of his years of service at our school.

Mr. Penny gave an inspiring good-bye speech encouraging all students to continue doing random acts of kindness and to do their best in all they endeavour. Our yearbook will be dedicated to Mr. Penny.

Incoming Student Services Counsellor Melanie Gendron was in attendance. She was introduced and welcomed to our school by Mr. Ryan.

High School Track and Field

There was great participation among Pangman School students at the regional track & field competition in Weyburn on May 22. Results came in as follows:

(Participated: P)

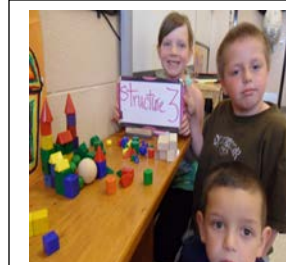

- Charlee Quewezance - 1st Shot put, 2nd 100 m
- Hayley Lillejord - 2nd Triple, 3rd Long Jump
- Troy Crowe - 7th Shot Put, Long Jump (P)
- Gabriel Cherpin - Shot Put (P), Long Jump (P)
- Jackson West - 4th Shot Put, Long Jump (P)
- Johny Friesen - 1st Shot Put, Long Jump (P)
- Dalton Jesse – 1st Shot Put, Discus & Long (P)
- Natalie Lillejord - High Jump (P), Long Jump (P)
- Kassie Robb - High Jump (P), Long Jump (P)
- Joe Foster - 4th High Jump, 6th Long Jump, 6th Shot
- Jordan Bedard - 1st 1500 M, High Jump (P)
- Traegan Quewezance - 3rd Shot Put, 4th Discus
- Brittinay Rowland - 1st Shot Put, 3rd Discus
- Hayley Kimball - 1st High, 2nd Long Jump, 3rd Discus
- Luis Ruiz Reyes - 6th 100 m, 7th Long Jump
- Carlos Ruiz Reyes - 6th 100 m, 9th Long Jump
- Jonathon Webb - 3rd High Jump, 3rd Triple, Long Jump (P)

Congratulations to all who went on to the district meet in Weyburn on May 29 and to provincials in Moose Jaw June 7 & 8.

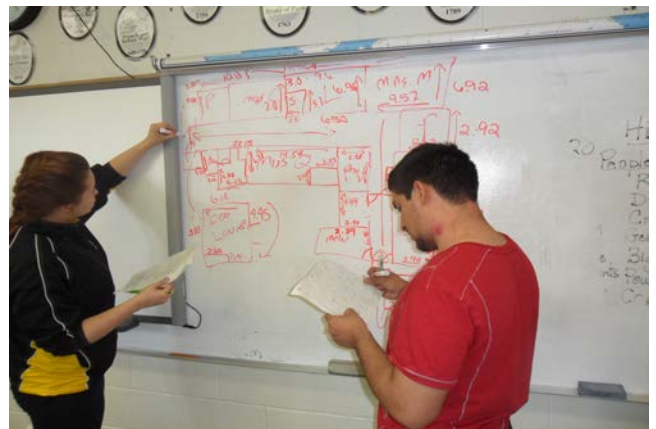

In Awe of Motion

Miss Quigley's students were introduced to the concept of gravity as they learned how and why objects move. They finished the unit by racing objects that they had created at home with their families. Her students have also been learning about geometric solids and were assigned the task of creating a structure using cylinders, pyramids, spheres, cubes, rectangular prisms, triangular prisms and cones.

Grade 11's measure up

Mr. Callfas's Grade 11 math students measured the length and width of all the rooms in the school and made technical scaled drawings of their findings.

Mrs. Warren & Miss Quigley were honoured by the Board of Education for their years of service during a banquet and awards ceremony in Weyburn on May 27.

Grad 2013

Our Grade 12 students Michelle Baker-Konner, Chance Froh, and Carlos Ruiz Reyes were honoured at Pangman School Grad on Friday, May 3. Community members joined the families and friends of the grads for the Exercises, Grand March and Social. Best wishes to our Grade 12's in all their future endeavours.

Mrs. Schwindt honoured

In recognition of Administrative Professionals' Week, Mr. Ryan echoed the words of our Director of Education, Mr. Casavant, who said that Administrative Professionals are the glue that hold our organization together. Mr. Ryan presented Mrs. Schwindt with a gift basket in appreciation of all her efforts as our capable and friendly Administrative Assistant.

Special Project for our Moms

No doubt the mothers of our K-2 students enjoyed receiving these beautiful birdhouses on Mother's Day as much as the students enjoyed painting them.

Hmm Good!

Mrs. Warren's Food Studies 30 class had a "delicious" assignment. Students were to research an apple recipe, list the ingredients and equipment needed, grocery shop, prepare and present their apple dish to a panel of judges.

Elementary Track Practice

Elementary students are throwing, jumping and racing to practice for their track meet on June 7.
